The press bus is targeted press representatives. The press bus is a jump-on jump-off service available for the press representatives before and after each show. The press representatives gain access to the bus by showing their press card/business card. The CFW secretariat do not have information about who is on the bus prior to Copenhagen Fashion Week and do not guarantee the number of press representatives on the bus at any given time. Snacks and water/soft drinks are served on the bus.

RUNWAY PHOTOGRAPHER AND PHOTO PACKAGE

The CFW secretariat provides a professional runway photographer during Copenhagen Fashion Week who will cover all shows on the show schedule. The photo package includes having the fresh runway photos published on copenhagenfashionweek.com as a part of the show brand profile. As well as directly sent to the brand - including the photo rights for external and commercial usage (CFW kindly reminds all brands to be aware of model rights). The CFW secretariat will upload the photos as soon as they are received from the photographer after each show. The image bank on copenhagenfashionweek.com is the official image bank from which press can download the photos needed for coverage of Copenhagen Fashion Week. The CFW secretariat cannot guarantee which media will download the image material.

EXPOSURE TO INTERNATIONAL PRESS AND BUYERS

During Copenhagen Fashion Week the CFW secretariat hosts a number of international press representatives from various media and a number of buyers. The guests are urged to attend each show on the show schedule. The CFW secretariat cannot control and therefore not guarantee the press guests' attendance at shows, and the subsequent media coverage is entirely in the hands of the press representatives.
